# BUSINESS CONDITIONS

---

---

The quotations in this list are intended for the WHOLESALE TRADE only, and are subject to change without notice.

TERMS:—Sixty days net cash to Seed Houses of approved credit, except on cash items named below, or on special quotations. Grass, Farm, Clover Seeds, Onion Sets, Potatoes, Fertilizers, Mushroom Spawn, Implements and Insecticides are always net cash.

ROUTING SHIPMENTS:—Railroad or Express routes given by buyers, which should be on each order, will be strictly followed by us where possible. In all cases where the route is left to our judgment we will select the best we know, but entirely at the risk of the buyer, we assuming no responsibility for delays in transportation.

WE DO NOT WARRANT SEEDS:—The fact that no reputable seedsman now warrants seeds in any respect being well known renders it unnecessary for us to say very much on this point, as it must be apparent to every intelligent person that no seedsman can afford to send out poor or worthless seeds. There could be no more certain way of destroying his business. We beg to append the following notice:

The seeds offered in this Catalogue have been carefully grown, selected, cleaned and tested for germination, and we believe them to be first-class in every respect, but we cannot guarantee the crop, as too many conditions enter into it; therefore, we give no warranty, express or implied, as to description, purity, productiveness or any other matter of seeds, bulbs or plants we send out, and we will not be in any way responsible for the crop. If the purchaser does not accept the goods on these terms, they are to be returned at once, and if the money has been paid for them it will be refunded.
